Issued by LTMRHL Corporate Communications Department LTMRHL/CCD/PR/94/01112018

IGBC PLATINUM RATING FOR PARADISE, RASOOLPURA AND PRAKASH NAGAR METRO STATIONS

L&T Metro Rail (Hyderabad) Limited (LTMRHL) proudly announces that three Elevated Stations of Hyderabad Metro Rail Project - PARADISE, RASOOLPURA & PRAKASH NAGAR Metro stations were awarded IGBC Platinum Certification under Elevated Stations category, today at the IGBC 2018, conference. All the three HMR stations have achieved 75 points each.

The Indian Green Building Council (IGBC) has launched IGBC Green Mass Rapid Transit System (MRTS) rating to encourage green concepts in the design, construction & operation of all new Rail based MRTS projects. The rating system helps to address National priorities like conserving natural resources, demand side energy & water efficiency, adoption of renewable energy, management of waste and commuter health & comfort.

Ratings/Points:

Platinum: 72-90; Gold: 63-71; Silver: 54-62; Certified: 45-53

These ratings are based on six environmental categories as defined by IGBC Green Mass Rapid Transit System Rating which include - Site Selection & Planning, Water Efficiency, Energy Efficiency, Material Conservation, Indoor Environment & Comfort and Innovation in Design & Construction.

Mr. KVB Reddy, MD & CEO and **Mr. NVS Reddy**, MD, HMRL received the plaque for IGBC Platinum Certification for PARADISE, RASOOLPURA & PRAKASH NAGAR Metro stations from the Mr. Hardeep Singh Puri, Minister for Housing & Urban Affairs, GOI & Ms. Lisa Bate, Chair, World Green Building Council in the presence of Mr. Sanjay Singh, Chairman, CII, Telangana, Mr. V Suresh Chairman, IGBC, Mr. Jaxay Shah, National President, CREDAI, Mr. Gurmit Singh Arora, Vice Chairman, Indian Green Building Council & Mr. C Shekar Reddy, Chairman, IGBC Hyderabad Chapter.

While receiving the awards **Mr. KVB Reddy**, MD & CEO, LTMRHL, stated “It is indeed a proud moment for L&T Metro Rail (Hyderabad) Limited. The IGBC Platinum rating reinstates the fact that L&T has followed the best international practices in constructing the Hyderabad Metro Rail Project. Kudos to the entire Hyderabad Metro Rail team for this achievement. I also take this opportunity to thank HMRL for their continued support and cooperation without which these accolades wouldn’t be possible.”

Mr. NVS Reddy, MD, HMRL, stated, “We want to make Hyderabad a better city to live & enjoy through metro. With our well planned & sustainable metro structures, we will contribute to the green buildings movement.”
